SOCIAL MEDIA GUIDELINES AT EAST CELEBRITY ELITE 2018-2019

We realize that there are many venues for social media including but not limited to Facebook, Instagram, Twitter, Fierce Boards, etc. All of these give us the opportunity to stay connected and get vital information in a quick and easy fashion. We will be asking all coaches to manage a TEAM FACEBOOK PAGE for each ECE team. This way the coaches can communicate daily with athletes and will only invite acceptable people to see that page. All information will continue to be posted on our website as well.

In regards to social media we are asking that all parents and athletes follow our social media policy and adhere to all rules. If you have any questions please ask BEFORE you post. If you feel a post is inappropriate, it probably is. We will have a NO TOLERANCE policy for social media. This includes parents, athletes, coaches and staff. Social media is a great way to motivate kids, show support of your gym, congratulate other programs, show new skills gained and other positive comments. It is not a venue to air your dirty laundry or to complain about the program. If you have any issues that you feel strongly about please speak to the owners of ECE and rather than posting on any form of social media.

1. No person is allowed to have ECE or East Celebrity Elite as their screen name for any form of social media. Ex. CherylPece is NOT acceptable for Twitter, Fierce Boards, etc.
2. There will be no negative comments on any forms of social media regarding any athletes, coaches, staff, or other programs allowed. Please only post positive comments. This includes when you write something that may not say names or program but it can be looked at as negative. Ex. "Wow, amazing how one kid can spoil a whole routine." This is not acceptable as it is negative without naming anyone in particular.
3. No inappropriate pictures posted. If you are engaging in something illegal or inappropriate please do not share with everyone in social media. Ex. Pictures of underage athletes drinking at a party even though not in ECE clothing.
4. No inappropriate language on social media. If you are upset about something that happened during your day we do not need to see all vulgar language on twitter, facebook, etc.... This goes for parents, staff, and athletes. Even though you do not reference ECE many people know you are a part of our program and that is not how we want ECE portrayed on social media.

If you or your child is not in compliance with this policy, we will first ask you to take down your post. If it happens again, you and your child will be removed from the program
